empanadas is all the go

black currant jam- a great flavour

and now the bottling

80 solar panels -a 2013 project

apples galore

Another delicious season

we now have a large range of great products

beautiful fruit leads to beautiful preserves which we will enjoy in the winter mnths

Bulk packs now available  
for restaurants

Looking down the hill to  
our farm buildings

rich berry ice-cream-  
everyone's favourite

Lisa repairing the spillway  
on our dam

Yummy apricots and blood  
plums

The turbo miser spray unit  
saves lots of hours

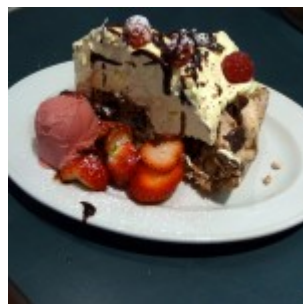

Trellising blackberries is  
one of the jobs we loathe-  
but the result is rewarding

Leaves on the apricots are  
starting to drop now.

Eva and Louisa celebrating

People would kill for one of  
Ann's dessert

their visit to Eureka Farm
